

SEXY SMALL BIZ

OWNED BY POC, PGM, BIPOC, QUEER

All The Sexy-Ish

Hi My Fellow Readers!

Now I know ya'll are wondering where to get all the sexy goods...well look no further cuz, ya girl is comin' thru clutch!

I specifically wanted to curate a list for POC, BIPOC, PGM, QUEER, LGBTQ+...essentially all the acronyms I don't see repped as much.

A small number of resources are not owned by people of color but those folks strong allies in creating true equity and access for the underserved communities.

It was hard to find communities of color in these spaces and will continuously update this as I find more.

P.S. If you have any websites to recommend from underserved voices, please feel free to drop me a line on IG or the website and I'd love to check them out!

With Solidarity,
Kink In Color
